PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mr. Wilber E. Hiatt

Dear Mr. Hiatt:

Our office has received a communication written in your behalf by Mr. L. A. Durfee, of the Veterans of Foreign Wars, Lincoln, Nebraska, pertaining to the return of the remains of your son, the late Captain Richard E. Hiatt.

I realize that this is a matter of grave concern to you, and deeply regret that letters emanating from our office have caused you additional anxiety. I assure you that this was not our intention, and hope you will accept my apology.

Although our records were properly amended to show that his widow had remarried, and that you were the person authorized to direct the final disposition of his remains, the "Letter of Inquiry -- Return of World War II Dead" was not dispatched to you on the dates indicated in previous letters from this office. The section which is responsible for the dispatch of the "Letter of Inquiry" was instructed on those dates to expedite the necessary forms to you, but for some unaccountable reason, the papers were not mailed. At this time, however, our records indicate that the forms were mailed on 14 May 1948, and I sincerely trust that they have reached you.

May I again express my apology for adding to the distress and sorrow you and the members of your family are experiencing.

If we can assist you further in any way, please feel free to contact us at your convenience.

Sincerely yours,

RICHARD B. COOMES

Dear Sir:

This office, as representative of the parents of the above captioned deceased veteran, has written letters to you under dates of March 18th, and April 6th, 1948. As yet we have received no reply - not even an acknowledgement of receipt of our letters.

The parents of this veteran have made plans for a funeral sometime this summer, and are most desirous of information concerning the date of his arrival from overseas, so that their arrangements may be completed for this service.

We have written these letters to you in good faith, but are very disappointed in that we have received no answer to this date. We cannot believe that you have ignored these letters, but they have probably been pigeonholed for answer at a future date. As previously stated, this case is emergent; consequently, we are requesting that expedited action be taken, and that acknowledgement of this letter be forwarded to our office immediately.

Dear Sir:

I do not hesitate to state that I am thoroughly disgusted with the lack of cooperation from your office.

We have written numerous letters with reference to the return of the remains of the above captioned veteran, but as yet have received no reply. The parents of this veteran contacted our office in hopes of getting some help through us, in the securing of the form "Request for Disposition of Remains". As stated previously, we have not received an answer or even an acknowledgement to any of our letters.

We receive excellent cooperation from all other branches of the army, such as War Department Retiring Board, Demobilized Personnel Records Branch, etc; therefore, I cannot understand why your office has not taken the time to extend us the courtesy of at least an acknowledgement.

We are writing this last letter in view of obtaining the information requested in our letter of March 18th before taking further steps in the matter. We would appreciate your advising us at the earliest possible date of action taken on previous letters.

Dear Mr. Hiatt:

This acknowledges your recent letter relative to the personal effects of your son, Captain Richard E. Hiatt.

Bureau records indicate that two billfolds were received here and forwarded to Mrs. Jean E. Hiatt, 645 South 17th Street, Lincoln, Nebraska, on 2 November 1945, with your son's property.

It is regretted that the watch and ring about which you inquire were not received here. A watch and ring were listed on the inventory prepared overseas, however, our file indicates these items were not forwarded among the effects upon arrival at this Bureau.

We have, this date, instituted tracer in an effort to locate this property. Although some time may elapse before a reply is received, you will be promptly notified upon receipt of any information.

Yours very truly.
